

Leith Conference

Our Culture and Heritage - Day 1

- Mapping – Buildings & Structures of importance, community asset management to provide locally accessible spaces for community arts/groups 7
- Networking, shining a light on what's working + helping sustainability, contact detail sharing. 4
- Engagement with key groups (e.g. Forth Ports) 2

Now

Celebrate and acknowledge what's already happening (Yes)

Soon

Future community engagement (who's missing, BAME representation, all local communities, businesses, churches)

Ensure sustainability for conversations by linking into existing networks (e.g. pupil forums, neighbourhood networks, community councils)

Future

Management of tourism (the dark side of history in order to be more inclusive of communities)

Waterfront development (maritime and industrial heritage trail)
