

Leith Conference

Cross Cutting Themes - Day 2

- **Assembly/Alliance/Federation/Development Trust**

Oversight body of some kind, potential to host a 'Community Planner', Leith 'masterplan', establishing a vision and strategic engagement with CEC and local business; supporting efforts to bring in necessary finance/partnerships/resources.

- **Intergenerational Developments**

Meaningful opportunities to come together, relating to health and wellbeing, business/mentoring, volunteering, potential social enterprise providing care/repair services for older people, by younger people, etc.

- **Including Young Adults in the conversation**

Places to go and things to do. Well-lit parks with spaces for them, skatepark, meaningful activities, etc.

- **Our Opportunities**

Working, volunteering, circular economy, tourism

- **Linking/Connecting/Communicating**

Making Leith greater than the sum of its parts

- **Our Environment**

Well lit, accessible for all (mobility strategy for Leith), mapped/signposted, outdoor/free gym and other opportunities to be active – that are affordable for all.

Considerations

Accessible for ALL

How can we hear voices that frequently go 'unheard', as we shape Leith's future?
